Alpha Epsilon Delta (Pre-Med Fraternity) invites you to a

Professionalism Workshop

(Attendance is REQUIRED for any future Health PAC Shadowing!)

This workshop will help you present your best image to professionals. It will help you leave a good impression when shadowing, interning, interviewing, volunteering, and in all other professional arenas.

Attend one of either two dates:
Wed., September 12 or Thurs., September 13
7:00 p.m., Bostian 3712. It will last around 1-1.5 hrs.

This event will be held annually in the Fall semester. One-time attendance is required for any student who wants to participate with the Health PAC Center's job shadowing program. Shadowing applications may be picked up at these workshops. Everyone is welcome to attend.

Melissa Kahn (CALS advisor) and Melissa Whitford (Peer Counselor) will speak. There will be a role-playing skit that the attendees will participate in.

Recommended attire is Business Casual. To find out what this means, visit:
http://www.career.vt.edu/JOBSEARC/BusCasual.htm#when.

HOPE TO SEE YOU SEPTEMBER 12 or 13! Remember, if you want shadowing opportunities through Health PAC, you MUST attend one of these sessions! This is a NEW rule!
