The field day will focus on fresh market muscadine production. It begins with a tour of the muscadine propagation operation at Tinga Nursery and continues at 10 a.m. with registration and tours at N.C. State University's Horticultural Crops Research Station, Castle Hayne, N.C.

Tour of Tinga Nursery: 9 a.m.
Field Day Registration: 10 a.m.
(at the research station)
Research Station Tours: 10:30 a.m. to 12:30 p.m.

Directions: Take I-40 exit 416A (Shallotte/Myrtle Beach, Hwy 17/I-140). After 2.5 miles on I-140, take exit 17 at Hwy 133/Castle Hayne. Tinga Nursery is south on Hwy 133 about 1 mile on the left and the research station is north on Hwy 133 about 200 yards on the right.
