STUDENTS CONSIDERING HEALTH-RELATED PROFESSIONS/CAREERS:

If you have an interest in a health related profession, we are here to help you!
First, in order to educate yourself about what we have available that will help prepare you…

PLEASE follow these simple steps:

- Visit the Health PAC website: (www.cals.ncsu.edu/health_pac). Most of your questions will be answered if you familiarize yourself with the VAST amount of information on our website.

- “Join the PAC/Enroll in the Health Professions Advising Center” by following the link on the home page of the Health PAC website: (http://www.cals.ncsu.edu/hlth-advise/enroll.cfm). This will put you on our bulk e-mail distribution list and keep you in the loop with all sorts of vital and pertinent information all year long.

- Register for one of the Health PAC General Information Sessions. These are scheduled for Tuesday, Sept. 5 and Wednesday, Sept. 13 at 5:00 pm in Bostian 3712. Any remaining questions you have will be answered in a group setting at this meeting.

- Consider joining the Pre-Health Club. You may contact Paul Carruth, President, at prcarrut@ncsu.edu for details.

- Drop in to the Health PAC office/resource center to browse the resources that we have on file. The office is open from 9 – 3, Monday - Friday, in Bostian 2719.

Once you have followed these suggestions, if you still have questions, please schedule an appointment to see either Ms. Bobbie Kelley (bobbie_kelley@ncsu.edu, 515-2588) or Dr. Anita Flick (anita_flick@ncsu.edu, 513-7312).
