ACADEMIC PROGRAMS OFFICE

Summer Programs for Pre-College Students
CALS is once again offering a variety of summer programs for high school students. Currently listed on our college website are Ag-DISCOVERY, 4-H Camp and Conference Centers, Institute for Future Agricultural Leaders, Poultry Science Summer Institute, and Summer College in Biotechnology and Life Sciences (SCIBLS). If your department’s program is not listed, please contact Gerry Luginbuhl to get it included. Faculty who are interested in developing a summer course for SCIBLS should also contact Gerry Luginbuhl.

CALS Honors Program
ALS 398H, CALS Honors seminar, has 127 students enrolled. Thanks to the following CALS faculty for joining me in teaching a section of the seminar: Jennifer Campbell, Suzie Goodell, Michael Goshe, Amy Grunden, Michael Schulman, Heiki Sederoff, Scott Shisnant, and Make Williams. We currently have 19 students registered for ALS 498H and 62 students in ALS 499H. Mentor stipends will be distributed shortly in the amount of $250/student with a maximum of $500/mentor.

We will be hosting the WISE (Women in Science and Engineering) Day on Friday, Feb 25. All women faculty are invited to join us for mixing and mingling with the students from 8:30-9:00 in the Ballroom on Talley Student Center.

CAREER SERVICES OFFICE

Kick Start
As the new spring semester starts up, so is Kick Start! We are excited to have a few new workshops available to students this semester. The following are the workshop topics that will be discussed over the semester: Outshine the Competition, Finding Your Dream Internship, Resumania, Get Recommended, How to Distinguish Yourself in an Interview, Find Your Passion, Professional Networking, The First Year After Graduation, and one Mystery Kick Start. After all the workshops are complete, we will host a celebration dinner for those students have participated in 6 or more programs. We are excited to see what progress is made this semester! We already had 30 students at the first session. Tell your students to stop by on a Monday at 4:30 p.m. in 339 Riddick or a Thursday at 6:00 p.m. in 104 Fox. Below are some of the questions that will be answered at Kick Start. If you do not know the answers, then you are welcome to come, too! We love to see faculty.

Here is your test! Do you know the answers? Come to learn more and become a better advisor!
*The top 5 things to do to stand out
*One critical step to take beyond a resume
*The top 10 skills employers seek
*The 3 best techniques to locate the best internships
*How top students differentiate themselves in an internship
*The top 10 qualities sought by employers looking for interns
*The 4 most common resume mistakes and how to avoid them
*The most important category on your resume
*The top 2 sites for a soon-to-be graduate to post a resume
*8 ways to overcome fear
*The 2 most important reference letter authors you will need in the future
*The 3 key documents to give your letter writer when you ask for a letter
*The 2 questions to ask yourself to ensure you are following the right path
*The percentage of American workers who are engaged at work and how to ensure you are one – How identifying your passion can launch the career of your dreams
*7 ways to make an informational interview effective
*The most important professional networking site to join
*3 reasons someone will want to help you find a job
*How to convince your parents that you should take a "gap year" before starting grad school or a permanent job
*5 ways to make the gap year improve your chances of getting accepted to grad school
*The top web page for college graduates looking for a gap year experience

**Master Minds**
This exclusive 9-week program provides a unique support system for highly motivated juniors, seniors, and graduate students. Participants are selected and matched into teams based on their career and educational goals. Team members commit to meet each week for 20 minutes to hold each other accountable for weekly progress. Each MM9 team will be assigned a group facilitator and a success coach. There have been 74 applications turned in for the Master Minds program. We are looking forward to starting up teams and beginning the learning experience for these students. The Orientation for Master Minds is January 28th and is proudly sponsored by Biogen Idec.

**Power Half Hour**
CALS Career Services has updated an engaging presentation to provide to the 14 clubs in CALS. This presentation is tailored to the wants and needs of club members within CALS and is called “Power Half Hour” because it gets students energized and prepared to learn more about themselves and how to apply that new-found knowledge to career goals. Biogen Idec, Novartis, Brickman Group, and Moutaire Farms have volunteered to sponsor the presentation to some of these clubs and plan to send representatives to the clubs to help present. Club members in attendance will also receive a complementary portfolio with the CALS Career Services logo on the front. We hope this exciting presentation will help motivate students to start thinking about their career path.

**Dining Etiquette**
Sponsored by Ag Carolina Financial, CALS students are invited to an educational dinner to learn the dos and don’ts of professional dining etiquette. In a relaxed and fun environment, surrounded by their peers, students will be presented with certain culinary "obstacles." It is important for CALS students to learn how to handle each situation while maintaining their professional composure. Tickets will be available to pick up at Patterson 107 on February 7th. The CALS Ambassadors will also present a professional-dress fashion show to demonstrate what to wear to job interviews, career fairs and networking opportunities. Hopefully this workshop will educate CALS students on issues they haven’t even thought about!
AGRICULTURAL INSTITUTE OFFICE

Mark your calendars!

AGI Senior Visitation Day
The Agricultural Institute will host an AGI Senior Visitation Day Friday, April 15, 2011. The event will be held at the Beef Educational Unit on Lake Wheeler Road. More details to follow.

Senior Breakfast
Agricultural Institute Senior Breakfast for graduating seniors will be held Wednesday, April 27, 2011. The breakfast will begin at 7:15am in 2405 Williams Hall.

Graduation
The Agricultural Institute commencement ceremony will be Friday, May 13, 2011, at 3:00pm. All are welcome to attend.

Orientation
Orientation for Fall 2011 has been scheduled. The Agricultural Institute dates are as follows: Thursday, July 28 – Friday, July 19, 2011 (Coordinators please mark your calendars)

Transfer Orientation:
Monday, June 28, 2011
Monday, July 26, 2011

NORTH CAROLINA COOPERATIVE EXTENSION SERVICE

Register for Extension Conference by Feb. 11
Campus-based employees with Extension responsibilities may register for the North Central District Extension Conference through the Learning Management System now through Feb. 11. The conference will be held in Greensboro, March 31, 9 a.m.-3:30 p.m. For problems dealing with the registration system, contact Jo Yarley, LMS administrative support specialist at jo_yarley@ncsu.edu or 919.515.6082. Registration information was sent this weekend to all department heads and department Extension leaders, who can also provide details about conference registration.

NC Choices, CEFS to host meat conference in March
Registration is now open for the Carolina Meat Conference, March 25-27 in Concord. This first-ever statewide conference on meat production is sponsored by NC Choices and the Center for Environmental Farming Systems.

Grower sees bright future for N.C. pecan orchards
Were it not for N.C. State University and its Cooperative Extension Service, a thriving 10-acre pecan orchard near Goldsboro most likely wouldn’t exist, says owner Tim Haithcock. A lawyer by day, Haithcock began his orchard 15 years ago with little more than a piece of land and a green thumb.

N.C. State University dedicates first ‘green’ building at Eastern 4-H Center
The facility that will be N.C. State University’s first “green” LEED-certified building was dedicated Jan. 6, but it isn’t on campus. The conference center at the Eastern 4-H Educational Center in Tyrrell County was dedicated before a crowd of 300, including 4-H’ers, N.C. State’s Chancellor Randy
Woodson and N.C. Secretary of State Elaine Marshall. The conference center is awaiting LEED certification — Leadership in Energy and Environmental Design — the rating system for green buildings created by the U.S. Green Building Council.

NORTH CAROLINA AGRICULTURAL RESEARCH SERVICE

The NC SweetPotato Commission Campaign
The NC SweetPotato Commission Campaign celebrated its most recent commitment from Dr. Craig Yencho, who joined other supporters of the Covington Endowment for Excellence in SweetPotato Research and Extension as a major donor. Kendall Hill and Sue Johnson Langdon spoke on behalf of the initiative at the annual meeting of the NCSPC.

NC Blueberry Open House
The Blueberry Open House was held on Jan. 11-12, 2011 at the Sampson County Agri-Expo Center in Clinton, NC. The Blueberry Open House is the annual meeting of the North Carolina Blueberry Council, Inc., and organized in cooperation with NCSU. The open house is the university's primary extension/outreach event in the NC blueberry industry. The two-day event includes a 10,000 sq ft trade show as well as educational sessions and pesticide recertification classes. 2011 marks the 45th annual meeting and the first in many years to be adversely affected by weather. Four inches of snow fell on the day before the meeting, and subfreezing temperatures resulted in dangerous road conditions, however most vendors and 80-90 growers were able to attend each day. The event was successful, well attended, and well received; the quality of presentations was especially commended.

NC Green Industry Council’s Annual Meeting
The annual meeting of the Green Industry Council (GIC) was held January 12, 2011 at the Sheraton Four Seasons Koury Center, Greensboro, NC, in conjunction with Green & Growin’ Show. Approximately 50 individuals were in attendance representing the various member organizations of the council. The evening meeting began with a reception sponsored by Syngenta followed by a brief program. The incoming 2011 President Buddy Morrow, from Charlotte, was installed at the outset of the program and presided. Commissioner Steve Troxler was the first speaker and spoke about the budget challenges NCDA & CS faces this year. Dean Johnny Wynne presented the mission of the College as well as budget matters. NC House of representatives followed, Dale Folwell and Pryor Gibson, followed in which both described the outlook for the state budget for the next two years. The Green Industry Council pledged $25,000 to the NC Ag Foundation to support educational materials related to the Council.

Genomics Sciences Lab offers new services
The Genomic Sciences Lab now offers Bioinformatic services. Anyone needing help managing large data sets may contact Dr. Jenn Schaff (jeschaff@ncsu.edu) or Dr. Jon Keebler (jon_keebler@ncsu.edu) for details.

INTERNATIONAL PROGRAMS

Visitors

YATAS
The Office of International Programs and NCARS recently hosted the Yunnan Academy of Tobacco Agricultural Sciences (YATAS) to campus for a planning symposium January 18, 2011. Presentations were given by CALS faculty on topics such as harm reduction, future tobacco breeding and new
strategies in genetic study. Dr. Jun Zhu from Zhejiang University was also in attendance for the symposium. A business meeting was held to discuss collaborative research for the laboratory in China. A follow-up trip to China is being discussed for later this spring.

**UCR**

Dr. Felipe Arauz, Dean of the College of Agriculture and Food Sciences from the University of Costa Rica (UCR) visited CALS on January 19, 2011. Dr. Arauz was here to finalize our MOU enhancing both graduate and undergraduate study abroad offerings and to discuss new opportunities with NCSU and CALS. We hope to establish a graduate course in tropical agriculture to be hosted by UCR and potentially develop a Tropical Agriculture concentration. The Office of International Affairs supports the idea to develop Costa Rica as a major University hub for students and faculty due to its proximity and our relationships with UCR and other area institutions. IPO will keep you posted to the progression of this exciting development.

**Study Abroad**

The application deadline for Summer Study Abroad is **February 11, 2011**. Be sure to remind students of this important deadline. CALS is offering scholarships for our summer programs. To receive a scholarship from CALS, students must be in a CALS major, participating in a CALS-sponsored program, and have a cumulative GPA of 3.0 or higher. Please contact Patricia Holoman for questions about CALS programs at patricia_holoman@ncsu.edu or 919.515.2818. More information on Study Abroad and other financial aid resources can be found here: [http://studyabroad.ncsu.edu/index.cfm?FuseAction=Abroad.ViewLink&Parent_ID=0&Link_ID=61D8D453-110A-9DE8-73BBA4D44C2EE8F1](http://studyabroad.ncsu.edu/index.cfm?FuseAction=Abroad.ViewLink&Parent_ID=0&Link_ID=61D8D453-110A-9DE8-73BBA4D44C2EE8F1)

**Rosetta Stone Program**

As many of you are already aware, the Rosetta Stone Language Pilot Program has been suspended by University Library Services and Software Licensing Management. As of January 31, 2011 Rosetta is no longer accessible through our pilot program in CALS or through the library. Unfortunately, the administrators at Rosetta asked NCSU to renew contracts at nearly a 200% increase in licensing rates. The university could simply not afford such increases. Library Services is looking into other language program options for campus deployment. In the interim, the library is suggesting some of these free resources:

- [http://www.byki.com/fls/FLS.html](http://www.byki.com/fls/FLS.html)
- [http://www.bbc.co.uk/languages/](http://www.bbc.co.uk/languages/)
- [http://www.livemocha.com/](http://www.livemocha.com/)

**OFFICE OF DIVERSITY**

**Attend Opening Doors**- Opening Doors is a three-day retreat that provides a framework for increasing diversity awareness and enhances a person’s ability to create an inclusive organization. Opening Doors is open and free to all faculty and staff within the College. The format of Opening Doors provides for open discussion, self-examination and an objective analysis of our social system as well as a constructive means to bridging differences through understanding personal responsibility. As a result, constructive methods of creating a welcoming and inclusive environment are developed. The overall goal of Opening Doors is to facilitate both personal growth and systemic organizational change. Over the past five years, the College has implemented it as a foundation component of our work to foster system change around pluralism and inclusion. All Opening Doors sessions will be held at the Eastern 4-H Center. The CALS sponsored sessions will be held on March 23-25, 2011 and September 21-23, 2011. The workshop is absolutely free to all CALS personnel and includes meals and lodging. Transportation is provided from NC State to the Eastern 4-H Center on a first come first served basis.
The May 25-27, 2011 session is sponsored by the University and is free to all NC State employees. Register at http://www.cals.ncsu.edu/openingdoorsworkshop.

Dean’s Graduate Research Assistantship - The goal of this assistantship, which began in 2009 with the first two awardees selected by the CALS Diversity Council for Fall 2010, is to increase the number of students from underrepresented groups completing Doctoral and Master degrees in the agricultural and life sciences at NC State. An examination of trend data by the CALS Office for Diversity Affairs reveals that there are groups that have been historically underrepresented in CALS graduate degree programs and continue to remain the most underrepresented today. These groups include African-Americans, Hispanics/Latinos, and Native Americans. A strategically focused, genuine effort to address this issue mandates that eligible candidates be from one of those aforementioned underrepresented groups. For Fall 2011, the Dean’s Graduate Research Assistantship will provide health insurance, some annual meeting/conference travel support, and a maximum total stipend of up to $20,000 a year for up to two years for one M.S. student preferably, but PhD students will be considered. The deadline for receipt of all application materials is March 11, 2011. For more information visit http://harvest.cals.ncsu.edu/diversity/index.cfm?pageID=2277 or contact Dr. Guion directly (lisa_guion@ncsu.edu).

CALS Co-Sponsoring Black History Month Speaker - On February 8, 2011, Mr. Dudley Edmondson, noted wildlife photographer and author, will speak on increasing diversity in environmental, natural resources, and related sciences.

National Observances - February is…
National Black History Month (United States)
American Heart Month

COLLEGE ADVANCEMENT

Got Gifts-In-Kind? If not, think about this: In tough economic times, we have to adapt and become more entrepreneurial as we try to find support for our programs. Often, companies and individuals are able to continue donating equipment, materials and supplies, even if they must cut their cash contributions. If you receive any non-cash gifts, please complete the form BA-151 (http://www.cals.ncsu.edu/advancement/ba151.doc) and forward to chris_wessel@ncsu.edu. We will make sure your donors are sent University receipts and acknowledgment letters showing how important their support is to CALS. If you have any questions about non-cash gifts, please call Chris at 919.515.7678.

CALS Gift Legacy Web Site: In an effort to better serve faculty and staff with helpful information, we have created a comprehensive gift planning Web site. We have an increasing number of friends of the College who now are benefiting from life income gifts, gift annuities and other charitable vehicles. Thank you for taking the time to explore the benefits of gift planning at http://www.legacy.vg/ncsucals.

CALS Secure Online Giving: You may support any area of the College and join or renew your Arboretum membership online using our secure website. Visit http://www.cals.ncsu.edu/givenow for safe, convenient online giving! Contact chris_wessel@ncsu.edu for information on linking to online giving for your programs.

London—Plus Gardens!
JC Raulston Arboretum Sponsored Excursion
Do you want to visit London with no hassle of planning the whole trip yourself? Do you have an interest in visiting some of London's premier gardens with an experienced horticulturist & a really fun group of plant enthusiasts? Would you like a very personal tour of the private home garden of one of England's most noted plantmen—Roy Lancaster? Then this tour is for you! Just visit: http://www.ncsu.edu/jcraulstonarboretum/index.php and click on England Excursion. Feel free to call or e-mail Anne Porter at (919) 513-3826 or anne_porter@ncsu.edu for more information.

Gift Planning: If you would like to add a section in your print, electronic or any other written piece regarding gift planning, contact Sonia Murphy (513-0637 sonia.murphy@ncsu.edu). Sonia can draft a short piece making your alumni and friends aware of how they can support your programs through a bequest, gift of retirement plans, trusts, etc.

CASSADAGA SAVANTS, book two in the murder mystery series by Dr. George T. Barthalmus, has arrived! The sequel to REVENGE THROUGH ME, again with all profits going to the George and Marina Barthalmus Life Sciences Scholarship Endowment, is now available. If you wish, Dr. B. will sign your copy! Order one or both books online, http://www.alumni.ncsu.edu/BarthalmusNovels.

Now Showing: Advancement workshops, featuring CALS development and alumni relations professionals and tailored to your department's needs. These workshops will begin with a 30-45 minute overview of Advancement, especially basic steps in relationship-building and fundraising, and can be followed up with more in-depth small-group sessions (either directly after the overview or on separately-scheduled dates).

Please email the date/time you would like us to visit and begin our workshops with your department. If you'd like us to come to a scheduled faculty meeting, it might be helpful if we are added to the end of your agenda, so that those faculty interested in Advancement (fundraising and alumni/donor relations) may remain for our workshop.

Thank you for involving us! Questions? Just call Chris Wessel at 5-7678 or email chris_wessel@ncsu.edu.

CALS Chronicle Enewsletter: The official enewsletter of CALS Alumni and Friends Society is sent quarterly. Please send your announcements, departmental events, and updates for the next issue to calsalum@ncsu.edu. If you wish to subscribe to the enewsletter, email calsalum@ncsu.edu.

Employee Retiree List: We need your help! We request that all departments and county offices please continue to send us your updated retiree lists with all contact information available. When employees – faculty and staff – retire, just send Scott Troutman (scott_troutman@ncsu.edu) a quick email letting him know so that he can add them to our list.

Secrets of Success: North Carolina Values-Based Leadership makes a perfect motivational gift! General H. Hugh Shelton’s coffee table-book takes a very special look into leadership and values. Through the beautiful black-and-white portrait photography and the book’s voices you’ll experience leadership first-hand from some 35 men and women with a unique and special North Carolina connection. Readers will learn how leadership impacted pivotal moments in world politics, business, the military, athletics, religion, and the arts. Proceeds from the sale of this book will support programs for the General H. Hugh Shelton Leadership Center, including 4-H Shelton scholarships, and enhanced initiatives for young people statewide. Available through your local bookstores and Amazon.com. Visit http://cals.ncsu.edu/agcomm/secrets-of-success/
Advancement Advantage Guide to Services: College Advancement continues to update our Advancement Advantage Guide to Services online. This information is designed to educate CALS faculty, staff and administrators about the resources available through these divisions. By doing so, we hope to expand access to our services, and increase support of and service to departments and college-wide initiatives. To access this information, just click on:
http://www.cals.ncsu.edu/advancement/resource_guide.htm

4-H Lifetime Achievement Awards - Friday, April 8
The 2011 4-H Lifetime Achievement Awards will be Friday, April 8 at 6:00 pm at the Embassy Suites in Concord. This year’s honorees are Dr. James W. Clark, Jr., North Carolina 4-H Historian and a Warren County 4-H Alumnus, and Dr. Dalton R. Proctor, North Carolina State 4-H Leader (1984-1995) and a Wilson County 4-H alumnus. The evening’s events include a silent auction and a reception showcasing the best of 4-H followed by an awards presentation and sit-down dinner. For more information please contact Michael Martin at 513-8254 or mjmartin@ncsu.edu.

CALS PERSONNEL

NC Flex Changes Reflected in January Paychecks
Please review your January paycheck to ensure the correct premiums are being deducted for your 2011 NC FLEX benefit program elections. The coverage is effective January 1, 2011 for selections made during the October annual enrollment period and the premiums should show up on your January check.

You can also review your elections by logging into the Employee Self Service area of the Portal. Contact Steve Norris at Steve_Norris@ncsu.edu if you believe any errors exist.

Provost’s Office Conducting RPT Information Sessions February 8th and 9th
The Office of the Provost will offer a general information session on the Reappointment, Promotion, and Tenure process February 8th and 9th. The session will include information about the process, an overview of the website (http://www.provost.ncsu.edu/promotion-tenure/) and a question and answer period. New tenure track faculty, those who will soon be entering the RPT cycle, and anyone involved in the 2011-2012 RPT process are encouraged to attend. To accommodate schedules, we will offer the session on two different dates:

February 8, 9:00 a.m. – 10:30 a.m. Erdahl-Cloyd Theater in the D.H. Hill Library
February 9, 3:30 p.m. – 5:00 p.m. Erdahl-Cloyd Theater in the D.H. Hill Library

Please note that these sessions will not be offered later in the year as we have done in the past. Feedback suggested that having the sessions in the January-February time frame was the most helpful for those who will be entering the process in the coming academic year.

Please familiarize yourself with the Promotion and Tenure website prior to the session. (http://www.provost.ncsu.edu/promotion-tenure/)
If you have questions please contact amy_jinnette@ncsu.edu.

New Campus Employees - Staff
Ryan Odle, Research Technician, Animal Sciences
Marie Marsh, Research Technician, Biological Resources Center
Louise Alexander, Research Assistant, Biology
Ragy Ibrahem, Research Specialist, Horticultural Sciences
