INTENDED MAJOR____________________________________________________________

IN ORDER TO APPLY FOR CONTRACTUAL READMISSION, THE FOLLOWING REQUIREMENTS MUST BE
FULFILLED:

A. COMPLETE THE FORM THAT IS ON BACK OF THIS SHEET INDICATING A PROPOSED PLAN OF
STUDY AGREED TO BY THE STUDENT, THE ADVISER OR TEACHING COORDINATOR OF THE
INTENDED MAJOR, AND THE DIRECTOR OF THE AGRICULTURAL INSTITUTE.
B. SUBMIT A WRITTEN APPEAL, NOTING THE PRODUCTIVE USE OF THE EIGHTEEN OR MORE
INTERVENING MONTHS. INCLUDE EVIDENCE OF MOTIVATION AND ACHIEVEMENT DURING
THAT TIME, EITHER ACADEMIC OR OCCUPATIONAL.

After not being enrolled at NCSU (excluding summer sessions and independent study) for a continuous eighteen month
period or longer, and having an academic record at NCSU that was such that I was suspended or would have been
suspended or placed on Academic Warning II under current policies, I am petitioning the Agricultural Institute
Readmissions Committee for contractual readmissions.

If a contractual readmission is approved, I understand that the following conditions will apply:
1. My entire academic record at NCSU will be recorded on any subsequent transcript, including a Total Grade Point
Average (TGPA) on all work attempted at NCSU.
2. For Courses attempted prior to readmission, only work of “C” or better will count towards fulfilling graduation
requirements, providing that such courses meet current curriculum requirements.
3. For purposes of suspension and graduation, a second TGPA will be calculated based only on courses that are
attempted after readmission. Total hours for graduation and suspension will be based on all work at NCSU after
readmission plus former work of “C” or better that is accepted to the department plus hours transferred from other
institutions.
4. I must maintain an overall TGPA of 2.0 or better on all courses attempted after readmissions.
5. If I fail to achieve an overall TGPA of 2.0 required in #4 above, I will lose contractual readmission status. If this
happens, status for subsequent work as a degree students at NCSU would be determined on the basis of total hours
attempted at NCSU plus transferred hours, and GPA calculated using all courses attempted at NCSU.
6. After contractual readmission, I will not be permitted to graduate with honors from the Agricultural Institute
regardless of my GPA.
7. I may be readmitted under this option only once.
