1. Who are the Chancellor and Provost here at NCSU?

- Drs. Fox and Stuart Cooper
- Drs. Fox and Bateman
- Drs. Bateman and James Oblinger
- Drs. Alston-Mills and James Oblinger
- None of the above.

2. Of the following, which one is a true statement?

- Colleges are housed within (are subsets of) departments.
- Departments are housed within (are subsets of) colleges.
- The University is housed within (is a subset of) a college.
- Both "B" and "C" are correct.
- None of the above are true statements.

3. Of the following, which one is not a department in the College of Agriculture and Life Sciences?

- Soil Science
- Microbiology
- Food Science
- Zoology
- All of the above are departments in CALS.

4. Who is the Coordinator of CALS Career Services Office, and where is it?

- Amber Weathers, Patterson Hall
- Amber Weathers, Pullen Hall
- Marcy Bullock, Williams Hall
- Marcy Bullock, Patterson Hall
- None of the above.

5. If somebody wants to declare a minor in CALS, who will they see to find out the requirements for the minor?

- The Undergraduate Teaching Coordinator for the department they are majoring in.
6. If a student turns in a written paper without proper acknowledgment of the source of information, he/she has committed an act of:

- ☐ One week suspension.
- ☐ One semester suspension.
- ☐ One year suspension.
- ☐ Expulsion.
- ☐ None of the above.

14. Who is responsible to make sure a student meets his/her requirements for graduation?

- ☐ The student.
- ☐ The student's advisor.
The Undergraduate Teaching Coordinator in the student's department.
- The student's mother.
- None of the above.

15. How long (during a regular semester) does a student have if he/she wants to drop a course?
- Only one week after classes begin.
- Up to 2 weeks after classes begin.
- Up to 4 weeks after classes begin.
- Up to 6 weeks after classes begin.
- A student can drop a course at any time during the semester by using TRACS.

16. What classes can a student take as pass/fail (credit only)?
- Departmental electives and PE courses only.
- Free electives and PE courses only.
- Humanities and Social Sciences only.
- Humanities and PE classes only.
- Students can take any classes pass/fail.

17. Which of the following courses could a student repeat under the First Year Course Repeat policy if he/she took the courses during his/her first year at NCSU?
- BIO 125 and PSY 200
- PSY 200 and ST 311
- ST 311 and CH 101
- CH 101 and MB 351
- None of the above courses would be eligible for the First Year Course Repeat policy.

18. How soon must a student repeat a course if he/she is using the First Year Course Repeat policy?
- He/she must take the course again the next semester.
- He/she must take the course again any time within 3 years.
- He/she must take the course again any time within 2 years.
- He/she must take the course again any time within one year.
- There is no time limit when repeating courses with the First Year Course Repeat policy.

19. What are the requirements for the CALS Honors Program?
- Students must have a 4.0 GPA to participate.
20. Which of the following is a true statement about scholarships in CALS?

- Only students who are in the CALS Honors Program are eligible for CALS scholarships.
- Only students whose parents are members of the Wolfpack Club are eligible for CALS scholarships.
- CALS has two main types of scholarships, merit-based and need-based.
- A student must submit the application form by December 25th in order to be considered for the next fall's scholarships.
- None of the above are true statements about scholarships in CALS.

21. What is the minimum GPA a student can have and still graduate from NCSU?

- A "D-" average (0.67)
- A "D" average (1.0)
- A "C-" average (1.67)
- A "C" average (2.0).
- None of the above.

22. When (during what month) should students start to look for a summer internship?

- November
- January
- March
- May
- None of the above.

23. Who sponsored the Career Expo that was held at the University Student Center?

- The University Career Services Office
- CALS Career Services Office
- The Financial Aid Office
- The Alumni Association
- None of the above.
24. Which of the following are both browsers for the World Wide Web?

- Excel and Word
- Word and WordPerfect
- Netscape and Internet Explorer
- Netscape and Word
- None of the above.

25. When using the computer labs on campus, what are your options for storing your data?

- You can store it in your Unity filespace, but nowhere else.
- You can store it on the computer's hard drive, but nowhere else.
- You can store it in your Unity filespace or on a floppy disk.
- You can store it on a floppy disk, but nowhere else.
- None of the above.

26. What is the command for changing your password in your Unity account?

- pwd
- passwd
- change password
- delta
- None of the above.

27. Word and WordPerfect are both examples of what type of program?

- Spreadsheets.
- Graphics programs.
- E-mail programs.
- World Wide Web programs.
- None of the above.

28. If you forget your password for your Unity account, where do you go?

- You can find it on the World Wide Web.
- To Dr. Oblinger's office.
- To your advisor.
29. If you are using a Unix machine in one of the labs on campus, what can happen if you don't log out before you leave?

- The next person can change your password.
- The next person can steal your PIN number.
- Both "A" and "B" above are true.
- The next person will have access to your files and e-mail.
- None of the above.

30. If you are a CALS student, what is your e-mail address?

- Your Unity ID followed by @ncsu.edu
- Your password followed by @ncsu.edu
- Your full name followed by @ncsu.edu
- Your full name followed by @unity.ncsu.edu
- None of the above are correct.

31. What information can you get from the web pages for this course?

- Your PIN number, the syllabus, and assignment descriptions
- The syllabus, assignment descriptions, practice exams, and review questions
- A listing of all the assignments and your grade to date
- There is no web page for this class.
- None of the above are true statements.

32. If you were at a computer in Australia that had Internet access and you wanted to call up the NCSU home page, the address (URL) you would enter would be http:// followed by what?

- www.ncsu.edu
- www.ncsu.school
- www.wolfpack.edu
- www.wolfpack.school
- None of the above.

33. When using the World Wide Web, what does a "search engine" allow you to do?
• Calculate your grade point average automatically.
• Send e-mail to 10 people simultaneously.
• Search thousands of web sites using key words.
• Repair your car without a manual.
• None of the above.

34. Which departments in CALS do not have web pages?

• Animal Science and Food Science
• Crop Science and Zoology
• Biochemistry and Microbiology
• Poultry Science and Horticultural Science
• All CALS departments have web pages.

35. The College of Agriculture and Life Sciences has a Coordinator of African-American affairs.

• True
• False

36. If you want to get a minor, you will have to stay here beyond the 4 years necessary to get a degree, even if the major and minor are both within CALS.

• True
• False

37. Some degrees that you can obtain in CALS are actually part of interdepartmental programs.

• True
• False

38. When a student audits a course, he/she has to pay to take the class, but does not receive any credit hours that count toward graduation.

• True
• False

39. You cannot transfer courses from other institutions to NCSU,
even if you received prior permission to do so.

- True
- False

40. The "First Year Course Repeat Policy" is scheduled to be phased out in the next few years.

- True
- False

41. A student who needs to repeat a course may sometimes take a different course in its place.

- True
- False

42. If a student receives an "Incomplete" in a course, he/she should register for the course during the next semester.

- True
- False

43. One of the Humanities/Social Science courses that a student takes here must focus on a non-English speaking culture.

- True
- False

44. A "font" refers to a calculation in a spreadsheet.

- True
- False
