Dean’s Graduate Research Assistantship (DGRA)

College of Agriculture and Life Sciences

North Carolina State University

Supplemental Form

(Please complete this form which must be submitted by the Department along with your DGRA application. Applications without the completed supplemental form will not be reviewed.)

1. Name:

2. Describe your experience(s) working with underrepresented minority populations in 500 words or less. This work does not have to relate to your research, and in most cases it will not. This work is about service to underrepresented populations in your community or on your campus. It could have been done through your involvement in community groups and organizations, university clubs, Greek and non-Greek sororities and fraternities, and other service related programs. More specifically, please describe: 1) the population served, 2) what the work entailed and your role in it, 3) why you were compelled to work with that population, 4) the duration of the work (i.e. how long were you in engaged the work), 5) when you engaged in this work (i.e. what year or years), 6) what outcomes/results were achieved for the population, 7) the impact the work had on you, and 8) the names of two references who can speak to your service and engagement with that population.
