Pharmacy School Application Info

PharmCAS "Step-by-Step"

APPLICATION CHECKLIST

Cycle Opens June 1st each year for admission following calendar year

For specific NC Program Requirements – see “Pharmacy” under program descriptions

This checklist is intended to assist you in preparing for application, but is not intended to be a substitution for the full application instructions nor does it include the procedures and requirements associated with the online application itself.

The PharmCAS application is only one step in the pharmacy admissions process. You must meet all requirements before your application will be processed and reviewed.

1. Read ALL PharmCAS instructions carefully.
2. If you wish, you may print your copy of the PharmCAS Application Instructions (PDF, 1MB).
3. Set up your PharmCAS account immediately to obtain your PharmCAS ID number.
4. Use the "PharmCAS Transcript Request Form" (PDF, 56KB) to arrange for ALL of your OFFICIAL transcripts to be received in the PharmCAS office by the application deadline! If you do not submit the transcript request form with each of your transcripts, your application file may be delayed in processing.
5. Enter ALL of your U.S. and Canadian coursework on the application using personal copies of your transcripts. Do not enter foreign courses.
6. Arrange for your PCAT, TOEFL, and TSE test scores to be sent directly to PharmCAS, if required by your designated pharmacy schools. PharmCAS will match your PCAT scores to your application based on your social security number. You MUST report your social security number on your application and on your PCAT registration form.
7. Submit the correct PharmCAS fee to the service by the pharmacy school deadline. Credit card payments are preferred. If mailing a check or money
order, attach the completed PharmCAS Payment Form (PDF, 59KB). PharmCAS does not accept cash payment.

8. Review your application for accuracy.
9. Print your completed application for your personal records.
10. Arrange for your summer and fall 2006 transcripts to be sent to PharmCAS as soon as they are available. Update your coursework during the Academic Update window.
11. Check your email and login to your application frequently for important announcements and messages from PharmCAS about your application status.

PHARMACY SCHOOL ADMISSION CHECKLIST

Read the School Pages for pharmacy school-specific instructions and requirements.

IF REQUIRED BY THE PHARMACY SCHOOL, you must:

1. Submit a supplemental application and fee directly to the pharmacy school by the deadline.
2. Arrange for AP, IB, and other test scores to be sent directly to the pharmacy school.
3. Arrange for letters of reference to be sent to PharmCAS (or directly to the pharmacy school, as per each pharmacy school's instructions.)
4. Submit foreign transcripts to the appropriate pharmacy school or evaluation agency
