On August 25, 2007, along with our partner Stop Hunger Now, we plan to stretch our vision to include support from the entire NC State and Raleigh community. Our goal is to more than double last year's event with 1,500 volunteers and package 300,000 dehydrated, fortified rice-soy meals containing over 20 vitamins and minerals especially formulated for the undernourished. 150,000 meals will be sent to Petit Goave Haiti with an organization called Haiti Vision and the other 150,000 meals to Senegal.

Service NC State (SNCS) is sponsored by the Center for Student Leadership, Ethics & Public Service as the definitive service event to welcome new students to NC State's campus and impact the community. This event is open to all students, faculty, staff and the Raleigh community and role models the university's mission to impact and support our local and global community. What a great way to bring members of the campus and surrounding communities together to focus on such a worthwhile goal.
