1. General Education Program (GEP) elective. Course options include humanities (history, philosophy, religion, literature) and social science (anthropology, psychology, sociology, political science) courses. Work with the STEAM coordinator to ensure your course will transfer to NCSU. If possible, this course should fulfill the Global Knowledge co-requisite.
2. Physical Education elective. Work with the STEAM coordinator to ensure your course will transfer to NCSU.
3. Work with the STEAM Coordinator to select the best math course for you and your career goals. Most students will take MAT 263 (Brief Calculus).
